Step into old-world elegance with this beautiful Bahamian residence, perfectly blending traditional charm and contemporary convenience. Located in an exclusive enclave, this home is part of a serene community of just four properties that share access to a tranquil community pool—offering privacy and peace. The home features an inviting entry courtyard, manicured gardens, and a private patio ideal for outdoor dining or quiet relaxation. Enjoy added security and peace of mind with security screens installed in every room, as well as a private storage shed for added convenience. Designed for comfort and efficiency, the home includes a split AC unit in the master bedroom, two central air conditioning systems (one for the bedrooms and another for the front of the home), and a washer and dryer...read more on our website.
