Set within The Island Beach Club Subdivision, Lot 40 offers a prime 0.297-acre parcel of land in an established community near one of Eleuthera's finest beaches. With elevated sea views and an ideal location between Governor's Harbour and the airport, this lot is perfect for developers or homebuilders looking to build with minimal delay. Approved in the 1960s, the subdivision allows for immediate building, and while utilities are yet to be installed, bringing power and water to the lot is feasible. Embrace the opportunity to create your island retreat in a sought-after setting....read more on our website.
