Tucked away in a quiet and peaceful area of Long Island, this 28.45-acre property offers a rare blend of privacy, natural beauty, and development potential. With generous space and direct waterfront access, it's perfectly suited for a gated community, working farm, or private marina. The land features open, fertile terrain ideal for agriculture—whether for crop production, livestock, or sustainable farming practices. Along the waterfront, calm and protected waters make it an excellent site for a small marina or docking facility, with easy access to fishing grounds and open sea. Whether you're envisioning a private estate, eco-conscious community, or a mixed-use retreat that blends agriculture with coastal living, this property offers the space and setting to bring your vision to life. ...read more on our website.
