If you are someone who appreciates the finer things in life then you will love The Botanical Sanctuary On Manjack Cay. This enviable retreat is a tropical botanists' playground. The beautifully landscaped 4.8 acres of elevated land feature glens, arbors, groves, and gardens. The estate is nestled between a stunning anchorage and mesmerizing mangrove creeks with 3 dock piers and 2 homes, and too many features to list here. Key improvements include the relaxing main house, a charming guest cottage, a workshop barn, a detached garage, raised garden beds, grapevine arbors, a chicken coop, hydroponics and aquaponics, an orchid house, and a drawbridge. The main south dock currently has a depth of 4 feet which will be extended another 100 feet to provide for a draft of 7 feet and ample space for ...read more on our website.
