This extraordinary 278.60-acre parcel of vacant land offers a rare opportunity to own a piece of paradise in Abaco. Located at Crossing Rocks Bay, this property boasts an impressive stretch of pristine beachfront along its eastern shoreline, featuring three stunning cove beaches separated by a breathtaking heart-shaped rocky headland. These secluded beaches provide a perfect retreat for relaxation and offer magnificent views of the crystal-clear turquoise waters. The land offers diverse topography, with rolling hills and elevations reaching up to 40 feet, providing a variety of potential vantage points for oceanfront development. This natural landscape creates an ideal setting for luxury homes, boutique resorts, or eco-friendly developments, all while preserving the beauty of the islandâ€™™...read more on our website.
