Situated in the eastern district of New Providence, this two-story residence offers the unique opportunity to create your ideal dream home. Spanning over 5000 square feet, it is situated on an elevated double-lot, which provide ocean views that can be enjoyed from multiple vantage points. This property can also accommodate the construction of a second home, with over 1/2 an acre of land in total. Featuring lush gardens, multiple private patios, swimming pool, bonus room and open concept living/dining area, this is an ideal entertainers home. Additionally, the property includes a one-bedroom apartment which can be used as staff living accommodations. With features too numerous to mention, this property offers a singular opportunity to enter this re-emerging and sought after neighborhood. Do...read more on our website.
