Nestled within the luxurious boundaries of the secure February Point resort community in Great...

Nestled within the luxurious boundaries of the secure February Point resort community in Great Exuma, this expansive 14,750-square-foot parcel not only offers a compelling market value but also comes with complete architectural plans. The property presents a tempting opportunity to acquire a secluded residential plot with breathtaking panoramic views of the azure seas. Situated in a southerly orientation towards the western extremity of the gated haven, it is conveniently located within a short stroll from meticulously kept tennis courts and a quick golf cart journey to the clubhouse, private beach, and pool area. February Point stands out as an appealing choice for savvy investors seeking lucrative opportunities in income-generating real estate, thanks to the flourishing short-term rental...read more on our website.
