This unmatched parcel is located in serene Cat Island, The Bahamas with over 1,700 ft. of sandy beachfront and striking turquoise waters. Explore this expansive 204.5 acre parcel which runs from the road to the sandy beach, providing endless opportunities for development. In addition to the vast beachfront, this acreage offers lush native vegetation. Electricity is located in the general area and residential homes are nearby. Ground has also broken on the new New Bight International Airport. Additionally, the Greenwood Beach Resort is immediately south of the property and the acreage also abuts the fabled "Healing Pond" which some Cat Islanders believe possesses healing powers. Opportunity abounds with this special property....read more on our website.
