Perched on a scenic ridge, Blue House offers sweeping ocean and sunset views in a tranquil island setting. Originally built as the main lodge for Buttonwood Reserve, this charming residence includes a spacious bedroom, a large great room with ocean-facing seating, and a caterer's kitchen with dual refrigerators and ranges. Two sleeping lofts with glass walls provide additional accommodations—perfect for older children. Enjoy access to two beaches: a three-mile pink-sand Atlantic beach and a calm Caribbean shore ideal for snorkeling, kayaking, and paddleboarding. A resort-style heated pool sits just 50 yards from the home. Located 15 minutes from Governor's Harbour and one mile from James Cistern, Blue House offers both privacy and convenience. With historic charm, panoramic views, an...read more on our website.
