

FREEMAN HALL ESTATE, Old Bight, Cat Island

An astounding 484 acres of virgin woodland with almost a full mile of incredible sandy beachfront...

An astounding 484 acres of virgin woodland with almost a full mile of incredible sandy beachfront and great elevations that Cat Island is famous for. Set in the heart of Cat Island just to the north of Old Bight, this property would be ideal for a private estate or resort. A quick swim out and you can dive for fish and lobster on the the natural barrier reef that also protects the beach and swim area....read more on our website.
