Perched atop a hill with stunning views of the Atlantic Ocean, Jasmine is a beautifully renovated 2-bedroom, 2-bathroom stone villa in the historic Wykee Estates. Nestled in a private estate spanning Eleuthera from sea to sea, this villa offers secure access to miles of pink sand beaches, a private pool, and a launch into the Caribbean Sea. With 10-foot ceilings, airy rooms, and 18-inch thick stone walls, Jasmine stays naturally cool. Large windows and French doors open to an Ipe wood-screened veranda, inviting ocean breezes and tropical scents. Modern amenities include air conditioning, storm shutters, and backup water tanks. The lush tropical gardens, mature trees, and private patio with an outdoor shower complete the tranquil setting. Enjoy beach walks, swimming, kayaking, sailing, and ...read more on our website.
