Perfect property for an eco-tourism resort. The property is undisturbed virgin land that includes some marshes. If properly planned it will be a sanctuary for birds fish and other wild life as well as the Bahamas own natural fauna and flora. Ideal setting for a resort or other development in a clean green pristine setting, heaven on earth, west of the Georgetown International Airport. One of a kind opportunity to own and develop 78 acres of unspoiled land with rocky shore, beach and native vegetation. The possibilities are indeed endless for this land that is available for a limited time to a savvy buyer with an eye toward the future. Off the beaten path this is an opportunity for something different in the Exumas. Develop your own water supply, electricity source etc. There are overhead ...read more on our website.
