Enjoy the privacy of a private island with easy access to an international airport and resort amenities. Chub Cay is a 45 minute flight from South Florida and an ideal location for Sports Fishermen. It is also a popular destination for beautiful dive sites. It is perfect for easy flight access, boat access, and amenity access while benefitting from seclusion and privacy. Over 2000 feet of shoreline with two beaches and suitable locations for a dock surround this 7.3-acre peninsula. A featured hill in the center of the property offers excellent elevation for a main house, which would capture the views of the beautiful water and surrounding cays. The airport has customs and immigration for convenient international access....read more on our website.
