Elegant two-story recently renovated and furnished luxury canal front home with swimming pool and 175 ft. of canal frontage. Poinciana exudes classic elegance. The double-height entrance foyer with wrap-around marble staircase open directly on to the pool deck. The newly renovated large kitchen is perfect for entertaining with marble counter-tops, a cooking island and large built-in stainless steel designer appliances. The great room includes the formal living room, dining room and wet-bar finished with marble counter-tops and bar seating area. The master suite creates the perfect sanctuary with mahogany floors in the bedroom, study, dual walk-in closets and a wrap-around veranda with panoramic views over the waterway. The master bathroom is fully marble tiled with over-sized soaking tub, ...read more on our website.
