This elevated 2-bedroom, 2-bath home in the private Banana Beach Estates offers ocean views, cooling breezes, and peaceful island living—just a 5-minute walk to a beautiful, quiet beach. Built in 2014 with durable Hardie board siding, the home features central air conditioning, a spacious deck, generous interior storage, and impact-rated doors facing the ocean. It is being sold fully furnished and equipped with household essentials, including washer and dryer. While tucked away in a quiet enclave just north of Governor's Harbour, you're still only minutes from grocery stores, restaurants, coffee shops, and the popular Friday night Fish Fry. Governor's Harbour International Airport is a short drive away, and the home benefits from being part of the Governor's Harbour community. Move-in ready...read more on our website.
