Chic hilltop retreat with ocean views turnkey & fully furnished sitting on a landscaped ¾-acre in the Stella Maris Resort community, The White House is a stylish 2-story home offering views of both sunrise and sunset over the ocean for most of the year. This turnkey property features two elegant master suites, each with private balconies and stunning views, plus a third guest bedroom. The open layout includes soaking tubs, king-size beds, and tasteful indoor-outdoor furnishings for relaxed island living. Originally built in 2007 and completely renovated in 2014 with no expense spared, the home was engineered for strength and longevity, with reinforced concrete construction, hurricane-rated upgrades, new electrical/plumbing systems, and vinyl plank flooring. Modern kitchen with stainless s...read more on our website.
