This 11,400-square-foot house and 704 sq. ft. apartment with a 2-car garage features a total of 8 bedrooms and 8.5 bathrooms, a media room, a computer room, a living room, a formal dining room, and open areas for informal lounging. The extra-large kitchen features all the necessary appliances, and the property is equipped with central air conditioning throughout. The floor is made of marble tile, and the media room features 12-foot ceilings; it is carpeted to absorb sound. In the interior of the house, an atrium brings a lot of light into the space. Outside, there is a pool, a large patio for outdoor entertaining, and views of the Ocean Club Golf Course. This house was designed with feng shui principles and is ready for a family to move in and enjoy....read more on our website.
