This large property is situated only one lot from the beach, across from Queens Highway that goes around the island. The building is a teardown, with a concrete basement that might be used. You can build your own family retreat here, since there is room for several buildings. It is a single family lot. The lot is level and easy to build on, with access directly to the main road. There is water, power and cable to the lot. The lot is only 5 minutes from the airport with gift stores and a bar, and 7 minutes from town, where there are 2 grocery stores, 2 liquor stores, a BPL office and a BTC office. It takes one hour to drive around the whole island, and it's less than 1000 people living on the island. There is a Club Med by the airport, and flights come in from Canada and Paris once a week, ...read more on our website.
