This 4-bed, 3-bath home offers 2,166 sq. ft. of living space on a 5,000 sq. ft. lot 50 x 100. Featuring two kitchens and a flexible office/studio area, as well as the original master bedroom ensuite that is currently used as a sitting area on the south eastern side. The layout is ideal for an in-law suite or rental studio with independent entrances. While the original master suite on the ground floor now serves as a cozy family room or sitting area, the upstairs master bedroom includes a walk-in closet. This versatile property in a remote, yet central location gives plenty of space and potential....read more on our website.
