This nearly 10,000 sq. ft. hilltop lot offers elevated views of both the ocean and the bay, capturing steady breezes along with beautiful sunrises and sunsets. Positioned on one of Harbour Islandâ€™s higher points, the property provides an exceptional setting for a future home with panoramic island vistas. Conveniently located near Aqua Pazza, Pink Sands Beach and resort, Captain Bobâ€™s market, and the Harbour Island sand flats, this parcel combines scenery, elevation, and accessibility. A rare opportunity to build on high ground in one of the Bahamasâ€™ most desirable locations....read more on our website.
