Sea Vision is a charming 4-bedroom, 4-bathroom elevated Bahamian-style residence located in the quiet, up-and-coming community of Triana Shores on Harbour Island. This peaceful residential neighbourhood is gaining popularity due to its close proximity to Pink Sands Beach, The Briland Club, and key amenities, with increasing property values enhancing its investment appeal. The home captures sweeping harbour views and vibrant sunsets, and features native wood ceilings, open-concept living, and over 1,000 sq. ft. of outdoor deck space with multiple balconies and private terraces. A protected green space directly across the property offers preserved natural surroundings along with beach and water access. Mature fruit trees and lush landscaping complete this tranquil island retreat, just minute...read more on our website.
