Sea Vision is a charming 4-bedroom, 4-bathroom Bahamian-style residence that reflects the rustic character and timeless appeal of Harbour Island. Set within the quiet community of Triana Shores, this elevated home captures sweeping harbour views and vibrant sunsets, offering an authentic island lifestyle defined by peace and natural beauty. Native wood ceilings add warmth and texture, while an open-concept living and dining area creates an effortless flow. The master suite opens onto a private deck overlooking the treetops and harbour, creating a serene retreat. Guest bedrooms are thoughtfully positioned for comfort and privacy, making the home ideal for hosting family and friends. More than 1,000 square feet of outdoor deck space extending from the master suite, living room, and kitchen, ...read more on our website.
