Come & explore this delightful beach villa! In the quieter section of the Beach Villas development on the western perimeter Beach Road this property combines peace and tranquility along with close access to Treasure Cay Beach which is only a 2 minute walk away. With only one neighbour to the south the partially covered wraparound porch and patio faces west and north guaranteeing your privacy for morning coffee or sundowners. The living space has a bonus Bahama room/dining area just beyond the family room which could easily be converted into a home office/guest room. Beach Villas make excellent 'starter' investment properties as well as comfortable retirement homes and are extremely low maintenance. The community is very well managed with pathways, verges and common areas regularly repaired...read more on our website.
