LOT C, LITTLE HARBOUR, Roses, Long Island

Nestled within a serene, protected natural harbor, this rare beachfront acreage offers unmatched...

Nestled within a serene, protected natural harbor, this rare beachfront acreage offers unmatched tranquility and seclusion. The property is framed by pristine, natural landscaping featuring thatched palms, seagrape trees, and native shrubs, creating an untouched tropical haven. With calm harbor waters at your doorstep and world-class deep-sea fishing just beyond, this location is perfect for marine enthusiasts and those seeking a peaceful escape. The surrounding area ensures privacy while preserving the beauty of the unspoiled coastline, making it an ideal spot for a private residence, eco-retreat, or investment in sustainable development....read more on our website.
