Welcome to La Pazita, a charming and eco-conscious one-bedroom, one-bath cottage tucked away in the peaceful, garden-filled community of Surferâ€™s Beach. Thoughtfully designed for simplicity, serenity, and sustainability, this off-grid retreat offers the perfect balance of comfort and nature. This 0.22-acre property is completely off-grid, powered by a 12V solar energy system and supported by a rainwater catchment system with a concrete cistern and backup holding tankâ€”designed for easy, sustainable island living. A short walk away, the pristine sands of Surferâ€™s Beach inivte you to watch the sunrise, ride the waves or relax to the soothing rhythm of the sea...read more on our website.
