

HUMMINGBIRD HILL, Elbow Cay/Hope Town, Abaco

Hummingbird Hill, a beautiful well planned and laid out property with commanding panoramic views...

Hummingbird Hill, a beautiful well planned and laid out property with commanding panoramic views from it high elevation of White Sound, the Sea of Abaco, the Atlantic Ocean plus surrounding Cays. Sadly the main house was destroyed in hurricane Dorian and has been removed. The property is 13,474 sq. ft., the concrete foundation plus floor remains, plus a 350 sq. ft. guest suite, a garage, three cisterns, the swimming pool with a deck, a boat house and 20 ft dock. There is approximately 70 ft of water frontage The stairs from the dock house and pool area to the former house foundations remains in place. Bahamas Power and Light underground supply is in place as well as septic tank. Infrastructure for the water maker in place as well....read more on our website.
