The home's design ensures spectacular views of the Caribbean Sea from every angle, making every moment spent here a scenic experience. A unique handmade driveway crafted from native rocks adds a charming and rustic touch to the property's exterior while blending seamlessly with the natural landscape. The Lower level has two comfortable bedrooms and 3 full baths, offering serene retreats with large windows to take in the stunning ocean vistas. A dedicated laundry room equipped with appliances and ample storage space for convenience. An exquisite screened sitting area that allows you to enjoy the fresh sea breeze and panoramic views without interruptions from insects, ideal for both relaxation and social gatherings. A cozy office space with large windows provides beautiful views, making it a...read more on our website.
