Perched on one of the highest peaks of Scotland Cay, this exceptional estate offers a rare opportunity to embrace true island living with unmatched 360-degree views of the Sea of Abaco and Atlantic Ocean. Set on over 35,000 sq. ft. of lush grounds, plus an additional half lot, the property blends comfort, privacy, and natural beauty. The fully furnished 1,400 sq. ft. main residence features two bedrooms, two and a half bathrooms, and a versatile loft, with open living and dining spaces framed by breathtaking vistas. A separate fully furnished cottage with queen bunks and a private bath provides ideal guest accommodations, while a garage, outdoor shower, and fruit trees enhance everyday living. Modern essentials include a solar system, and a 25kW generator. With landing rights on the island...read more on our website.
