This rare lot is located across the street from the sea, and will always have sweeping sea views and access to the waterfront thanks to the allocated preserve right in front of it! Build your private retreat or take advantage of the popularity of Exuma with visitors from all over the world and build a vacation rental. Go off the grid, or take advantage of the Cable/Internet and electricity line access. This lot is just a 4-minute drive to George Town, and 30 minutes from the airport, down this unpaved, but well-kept street. This area is well known for bonefishing, an array of watersports, and beautiful sunsets.
