North Star is a traditional Abaco beach house crafted by renowned builder Floyd Albury, blending classic craftsmanship with relaxed island living. Set on a $\frac{1}{2}$ -acre lot with over 100 feet of shoreline, this 1,100 sq. ft. residence features exposed beams, pickled spruce interiors, and an open floor plan that evokes the ambiance of a finely built wooden ship. Two identical bedrooms with en-suite baths anchor the home, with the southern suite accessed via breezeway for added privacy. Living areas flow seamlessly onto a 2,500 sq. ft. wrap-around deck with pergola, built-in seating, and fire pit—perfect for dining, lounging, and enjoying panoramic water views. Constructed with a western red cedar exterior, terra cotta tile floors, and thoughtful design, the home is as durable as it is charming...read more on our website.
