This prime development acreage in South Bimini is located adjacent to the Buccaneer Point Canal and just a few minutes from the international airport and ferry docks. The airport is currently undergoing an \$80M upgrade to become a modern state-of-the-art facility, and the ferry connection to North Bimini is where you will find Alice Town, home to Resorts World International and Cruise Port. This 4.6-acre opportunity is right in the middle of it all. Bimini is rich with Bahamian culture and home to truly world-class and legendary fishing grounds, yet it is less than 60 miles from the South Florida coast.
