The Helios Estate is a rare 8-acre beachfront sanctuary on one of Eleuthera's finest pink sand beaches, offering 300 feet of private beachfront and 60-foot elevations with panoramic ocean views. Designed for eco-luxury living, the estate includes a solar farm, rainwater harvesting, organic gardens, and complete off-grid infrastructure. The Main House, Helios Tower, and Cottage feature 7 bedrooms and 8 bathrooms in total, with expansive indoor-outdoor living, a heated infinity pool, and lush tropical landscaping. Additional amenities include a gym cabana, garage, boathouse, staff cottage, and beach cabanas. A private beach with coral reefs offers superb snorkeling and kayaking. Fibre broadband, smart systems, and refined interiors create a perfect blend of privacy, sustainability, and style...read more on our website.
