Located in the heart of Eleuthera, this 9.113-acre property offers serene pondfront views and is just a two-minute walk from a pristine beach. Combining natural beauty with convenience, it's an exceptional opportunity for private or commercial development. The land is perfect for a luxurious private estate, complete with gardens and outdoor spaces, or for creating a boutique resort, eco-lodge, or vacation villas to capitalize on Eleuthera's thriving tourism. Its tranquil setting and ample size also make it ideal for sustainable projects like nature trails or an eco-friendly retreat. This property blends privacy, accessibility, and limitless potential, making it a rare chance to build something extraordinary in one of the Bahamas' most beautiful locations....read more on our website.
