Absolutely an amazing opportunity to have 8.25 acres with direct beachfront property. This area is one of the prettiest beaches in all of Abaco. Old Kerr Cove located at the south end of the Bahama Palm Shores beach is a private estate with three owners that can only be accessed through a private entrance. In order to view this one of a kind property you will need to contact us to gain access. It has underground electric supply and an access road from the main highway. There are currently two homes in the area. Don't bypass this one as this type of property is getting difficult to find anywhere in the Abaco Islands....read more on our website.
