Set on an exceptionally picturesque peninsula known as Whale Point, Cobalt Cottage is a modern, oceanfront residence constructed in 2022, offering sweeping water views of the Atlantic Ocean, Harbour Island's pink sand beach, and the calm harbor beyond. The property sits on an 85 x 290 ft lot with approximately 85 ft of direct Atlantic Ocean frontage, where dramatic rocky coastline meets open sea, and tranquil Bottom Harbour, teeming with turtles, lies just steps away on the opposite side. Designed to fully embrace its extraordinary surroundings, the home offers ocean views from the kitchen, living area, and both queen bedrooms, ensuring a constant connection to sea and sky. Thoughtful architecture prioritizes outdoor living, with expansive decks and porches that exceed the home's interior...read more on our website.
