43 Markshall Place – Waterfront Land

Discover the perfect opportunity to build your dream home on this waterfront lot located on...

Discover the perfect opportunity to build your dream home on this waterfront lot located on Markshall Place in the desirable Dover Sound area. Offering 76.31 feet of canal frontage and spanning 12,075 square feet, this property provides ample space for a custom single-family residence.

Situated in a developing neighborhood, the lot is ideal for those looking to invest or build in a growing area. Many nearby homes are thoughtfully constructed on stilts, a proven design approach due to past flooding in the area, allowing for elevated living and uninterrupted water views.

Enjoy the tranquility of canal-front living while remaining convenientl...read more on our website.
