The Seaside is a well-maintained concrete home in the desirable waterfront community of Ocean View Heights, just outside Governor's Harbour. Overlooking the calm waters of Eleuthera's west coast, this two-bedroom, two-bath residence offers beautiful sea views and stunning sunsets in a peaceful coastal setting. The home features ceramic tile flooring throughout, air-conditioned bedrooms, ceiling fans, and a mix of wooden and aluminum shutters. Solid construction provides a strong sense of comfort and durability. Set on a protected corner lot and positioned slightly lower than neighboring homes, the property enjoys cooling sea breezes, excellent water views, and added storm protection. Palm trees and tropical landscaping surround a low-maintenance yard, along with a single-car garage and...read more on our website.
