Situated on a spacious lot of almost 6,000 sq. ft., this home enjoys dual street access â€” fronting Sequoia Street and backing onto St. Josephâ€™s Avenue, a rare feature that enhances both convenience and future development options. Built in 1992 and thoughtfully expanded over the years, the home provides approximately 1,300 sq. ft. of interior living space. Itâ€™s currently fully lived-in, offering a comfortable layout with tiled floors, open hallways, and good natural light â€” yet ready for your modern touch to unlock its full potential. The propertyâ€™s second-story efficiency apartment offers independence and flexibility â€” perfect for a tenant, Airbnb guests, or a home office suite with access and parking from the St. Joseph's Avenue side. Opportunities like this are becoming rare ...read more on our website.
