Encompassing nearly 10 acres of prime beachfront land, this exceptional Exuma property is ideally positioned between Exuma International Airport and the newly redeveloping Beaches Exuma resort, formerly Sandals Emerald Bay. Offering approximately 784 feet of direct ocean frontage, the parcel presents a rare opportunity for a luxury boutique hotel, private estate, or income-producing residential development. The property is intersected by the Queen's Highway, providing excellent accessibility and allowing utilities to be readily available—an important advantage for future development. The nearby Beaches Exuma redevelopment is expected to introduce enhanced resort-style amenities, further strengthening the long-term appeal of this growing corridor. Exuma International Airport offers dire...read more on our website.
