Placed in the serene setting of The Narrows, on a prime stretch of Pink Sands beach, this world-class residence reinterprets Tropical Modernism through a careful balance of architecture and the Harbour Is. landscape. Southern Cross combines a sense of openness with careful attention to spatial intimacy & environmental integration. The core of the design is a multi-courtyard, interconnected outdoor space arrangement promoting ventilation and natural light diffusion. Perfectly set on just under three elevated acres, over 200ft of beachfront above a protective secondary dune, and fully mature impressive landscaping, Southern Cross is a home that is deeply connected to its surroundings. The design's importance is in creating spaces to invite reflection & foster connection to the natural world...read more on our website.
