The property is zoned for multi-family use. This lot is set back 265' from Bacardi Road and will be accessed via its own 12' wide deeded road when developed. Catch this diamond in the rough today. According to current government regulations, this zoning flexibility makes it perfect for a variety of housing designs, from townhouses to apartment units. With over half an acre of prime real estate, this lot provides ample space for designing and building a multi-family complex that maximizes both living space and aesthetic appeal. Take advantage of the growing demand for housing by creating a residential complex that meets modern standards. Whether you're planning to build affordable housing or luxury units, this lot offers the potential for substantial returns on investment. Just off Bacard...read more on our website.
