This 17,404 sqft multifamily, canal front lot is perfect for a three unit structure with access to a freshwater canal for recreation. This location is also very close to open water access to the sea, fishing and showcases privacy and a safe distance from historic flood zones with the nearby canals a relief system. Grand Bahama is poised for an economic resurgence with the international airport in the early stages of development and major resorts getting ready to start again. Also the recent launch on a new cruise port means land values will increase soon again....read more on our website.
