This residential lot is located in the desirable Stella Maris community, just minutes from the nearby airport for easy access. Stella Maris is the island's oldest and most established resort and residential community, known for its peaceful atmosphere and island charm. Residents enjoy access to the Stella Maris Resort, featuring a restaurant and bar with local entertainment, as well as a beachfront bar with a shared swimming pool—perfect for relaxing and socializing. The neighborhood is quiet and well maintained, ideal for building a private island home or vacation retreat. Electricity is readily available, making this an excellent opportunity for immediate development in a sought-after location....read more on our website.
