Perfectly suited for a multi-listing platform, this expansive parcel offers broad appeal to...

Perfectly suited for a multi-listing platform, this expansive parcel offers broad appeal to developers, investors, and visionary buyers seeking space, privacy, and opportunity. Whether marketed as a private estate, boutique resort site, eco-retreat, or subdivision opportunity, this property delivers flexibility and strong investment potential in one of the Bahamas™ most naturally captivating islands. Set against a backdrop of unspoiled landscapes and serene surroundings, Silina Point offers a rare sense of seclusion while still being part of the growing demand for authentic island living. Long Island is increasingly recognized for its pristine beaches, dramatic cliffs, and laid-back lifestyle—making it highly attractive for both local and international buyers. This 12.597-acre offering...read more on our website.
