Absolutely stunning property perched up on the Yellow Wood Hilltop consisting of 29,442 square feet. Water and electricity are available at the roadside boundary. This property will provide you with some of the best possible views anywhere on Abaco. Cherokee Sound is just down the road with a grocery store, gas station, and of course the world famous long dock. Just a short distance the other way is the Abaco Club at Winding Bay where you can purchase a membership and just a bit further is Pete's Pub also well known for its quaintness and wonderful food and surroundings. This one is an absolutely stunning piece of property....read more on our website.
