Positioned overlooking the future revitalized Treasure Cay Marina, The Marina Collection is a rare marina-front development opportunity within one of Abacoâ€™s premier boating communities. This unique parcel includes conceptual architectural plans exploring multiple development possibilities, including marina-front condominiums or spacious waterfront townhouses. Current concepts contemplate four residences together with four large canal dock spaces suitable for yachts and runabouts, plus one marina dock slip. This is the only remaining parcel retained within the original eleven-phase Royal Palm development, and ownership includes a one-eleventh interest in the Royal Palm Common Area. Discussions involving nearby common areas may create future opportunities for expansion or reconfiguration,...read more on our website.
