Nestled in one of Nassau's best-kept secret neighborhoods, Skyline Heights is a hidden gem known for its safety, serenity, and charming, family-oriented atmosphere with tree-lined streets. Set on a lush one-acre property with a private pool, this bright and spacious estate offers comfortable island living with excellent energy efficiency, including PV solar panels, solar water heater, propane appliances, a large generator, and a private well. The estate comprises a 3-bed, 2-bath main home, a 2-bed, 2-bath guest house, and a 1-bed, 1-bath staff or guest cottage " totaling 6 bedrooms and 5 bathrooms. Ideal for multi-generational living, it offers ample space for elderly parents, visiting guests, and a large garden perfect for dogs. The main home features an open-plan living and dining ar...read more on our website.
