Ethereal elegance, privacy, and large, open spaces define this luxurious home on Windward Beach overlooking the sparkling Sea of Abaco. Villa Blanca is aptly named with its monochromatic white and grey interiors complemented by earth toned furnishings. A poured concrete table and bench provide the ideal perch for one's outdoor home office on the seaside verandah. The house is positioned unobtrusively at the top of a 122-foot driveway, native landscaping and well-tended expanses of grass on either side. All four bedrooms are connected to en-suite bathrooms and two bedrooms open onto the seafront covered verandah. The great room and two master bedrooms boast coffered and tray panelled ceilings. Marble flooring throughout! Villa Blanca's lot square footage of more than 26,000 square feet make...read more on our website.
