The Bal Harbour is a 3,500 sq. ft. 4-bed, 4-bath pre-construction residence designed for modern Bahamian living. Featuring a proven floor plan that has already been built and sold, this home offers the rare advantage of viewing a completed model to fully experience its layout, flow, and quality before building. A bright, open-concept design seamlessly connects the living, dining, and kitchen areas, enhanced by expansive windows and refined finishes. The stately master suite serves as a private retreat, complete with a spa-like bathroom, while additional bedrooms provide comfort and privacy for family and guests. This home can be built on the Twynam lot or any suitable lot across New Providence offering flexibility without compromising design. The Bal Harbour delivers a sophisticated, move-in ready home.
