Leaf Cay is a prime location fully serviced private island located 2 miles to the west of Staniel Cay, the beating heart of The Exuma Cays. Leaf Cay has three beaches, a large dock, great elevations, and a number of buildings on the island including a main house and guest house. The island has power supplied by an underwater cable from Staniel Cay, making for hassle-free private island living. The island has approved plans for a full resort and marina, including overwater bungalows. The current buildings are in poor shape, but the main house and staff house are livable which will be useful for any re-development of the island to be used as a base and living quarters for the building team. With Leaf Cay's prime location just minutes from Staniel Cay, it would make an amazing destination for...read more on our website.
